Virginia Beach, VA 23462

Greetings Beach Bags supporter,

Thank you for your support of the Virginia Beach City Public Schools' Beach Bags program, which provides healthy meals to students who might otherwise go hungry over weekends and school breaks, such as the upcoming Winter break. We are reaching out to our generous donors, asking for your consideration to help more children during this upcoming holiday season.

All donations go directly toward funding food for Virginia Beach students and are tax-deductible, as the Virginia Beach Education Foundation is a 501c(3) nonprofit organization (#54-1637620). Through wholesale bulk purchases, we have been able to reduce the cost per bag to \$3.00, which means your donations go even further than before. Also, year-end contributions may benefit you for your 2020 tax return. \*

With donations like yours, the Beach Bags program has been able to provide more than 154,000 Beach Bags to students across the division since 2009, with 24,426 bags provided during the 2019-2020 school year. Thank you for your past support, and we hope you will continue to help us nourish our high-needs students.

Sincerely,

Debbie Hughes  
Education Foundation Coordinator
