

The Honorable Vice Mayor Rosemary Wilson
2401 Courthouse Drive
Building 1
Virginia Beach, VA 23452

10 May 2023

Dear Vice Mayor Wilson,

On behalf of the over 500 police officers, detectives, and forensic professionals, I have the honor of representing, I'd like to thank you for your work (and your vote) leading to the passage of the Virginia Beach city budget.

I have no doubt that "budget season" is a time of great deliberation. It is impossible to please all those who want their concerns included, as it is impossible to please everyone who want items excluded.

I assure you that your work has demonstratively improved the lives our members and all Virginia Beach first responders. By extension, this will work to improve the lives of the citizens we all serve.

I look forward to working with you on matters of importance to you and to public safety.

Respectfully,

Brian Luciano

Dear President Luciano,

I want to take a moment to acknowledge and commend your leadership of the Virginia Beach P.B.A., I.U.P.A. Local 34. Your active, and more importantly, effective support of the men and women within the Virginia Beach Police Department epitomizes the traditions and core values of the International and our stated purposes and goals.

You remain active in both local and state politics, always with the aim of improving the lives and working conditions of your membership. You have gone beyond all expectations we have of our local leaders who, like yourself, assume these thankless tasks while balancing a family, a police career, and union activities.

Your recent offer to assist our Law Enforcement Officer Relief Fund in raising money for police officers who are suffering calamities, is, once again, testimony to your dedication to these brave men and women across our nation.

Unfortunately, we do not, often enough, take time to let our leadership know how much they are appreciated and how critical they are to the success of the International.

You are one of our very best. Again, thank you and thanks to the men and women of the Virginia Beach P.B.A.

Very Respectfully,

Sam A. Cabral
International President
